

Savannah

Jekyll and St. Simons Islands *March 9-12, 2010*

Don't miss out on this fabulous tour of the Georgia coast line. Special arrangements have been made with the Hat Ladies of "Tales of the South" to show you this area like no one else can. Savannah is breathtaking during the spring with Azaleas, Camellias and other spring flowers in bloom. The islands are aglow with their own unique spring treasures as well.

DAY ONE TUESDAY JEKYLL ISLAND

Arrive Jacksonville, FL., at 1:35pm aboard Southwest Airlines. Our "Ladies of the South" guide and driver will be waiting with box lunches to accompany us to Jekyll Island Club Hotel. Jekyll Island was the playground of the rich and famous at the turn of the century. We will have a short drive through St Simons Island, home to John and Charles Wesley. Dinner will be served in the hotel's Grand Ballroom. (L,D)

DAY TWO WEDNESDAY SAVANNAH

Following breakfast at the hotel we will have an early morning tour of Millionaires Village with time for shopping in the quaint shops. Lunch will be served in route to Savannah. Following check-in at Springhill Suites Savannah, we will depart for dinner at "Lady and sons" Paula Dean's restaurant. (B L D)

DAY THREE THURSDAY SAVANNAH

We will begin our fun-filled day with a "This is your Life-Paula Dean" tour. Visit the "stomping grounds" of America's Culinary Sweetheart. Hear the "insider scoop" from your personal guide, one of the Savannah "Hat Ladies" who will be dressed in character, honoring the tradition of belles all over the South. Lunch is on your own on River Street/City Market with time to shop. Our afternoon tour focuses on Savannah's religious heritage. Learn of the diverse cultures and denominations that helped forge and shape Savannah into the beautiful district city she is today. Tonight we are in for a true southern treat, a progressive dinner in the heart of the historic district. Begin with an exclusive reception in the private garden of Ms. Donna Butler. Miss Donna will welcome us into her impressive Row Home off Jones Street. Our next stop is to the stately Victorian home, The Dresser Palmer off Gaston. Dinner will allow us to savor a traditional southern meal interpreted by the resident chef. South Gourmet! Before returning to our hotel, our hostess for the day will make sure we have been oriented with the beautiful belle "Savannah". (B D)

DAY FOUR FRIDAY SAVANNAH IRVING

The history of our fair lady, Savannah, will come to life as your guide weaves her magic telling the history from James Edward Oglethorpe to present. Get caught up "in the gossip and hearsay" surrounding the true-life characters in the book and file, "Midnight in the Garden of Good and Evil." History and Mystery go hand in hand! You will see locations and buildings prominent in both history and in "the book." We will visit one of the South's most entrancing cemeteries - Bonaventure. This site, the resting place of Johnny Mercer, Conrad, Aiken and many other famous people, was named one of America's most magnificent funeral statuary sites. This afternoon we will depart for the Jacksonville airport. Lunch in route. (B L)
